Authority for Expenditure of \$ 689.00 is requested for purpose of additions
to property at Ogden, Utah.
(Station or Location)

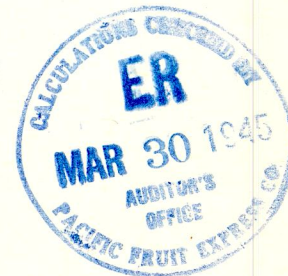

Description of project:

Line walls of old heater house and install shelving for records and other storage.

Recommendations:

In converting M&S building into a boarding house under GMO 0-697 for accommodation of imported Mexican Nationals it was necessary to remove records and other material stored therein.

As the old heater building is the only space available for old records propose to line the walls and install shelving which will adequately serve the purpose.

Not included in 1945 Budget.

additions

to the

existing

line walls of old building and to the new building for a grade and other storage.

In carrying out the building into a building it was necessary to remove certain of the existing walls and other material stored therein.

As the old building walls are the only ones available for old building project to line the walls and install lighting which will not interfere with the project.

Cost of material is \$100.00.
